**PART 5—Annual Membership Details:**

Membership into *The Club* requires a minimum per month expenditure, based on type of membership. Expenditure requirements can be spent on food and beverage at the Wildlife Pub or any annual events, as well as on any gift shop item(s). If the per month required expenditure is not met, your card will be billed for the difference on the first business day of the month following. If membership is purchased after the first day of any month the expenditure requirement will begin the following month. There is no dollar amount carry over from month to month.

Each year, your annual membership concludes on **June 30th**, and the new Club year begins July 1st. If you choose not to renew, you must notify MWC in writing to mailing address or email listed below before June 1st, otherwise your membership will automatically renew for the new year. If your card is declined for any reason, you will be charged an NSF (non-sufficient funds) fee of \$10 and if the charged amount and the \$10 NSF fee is not satisfied within 30 days, you will be subject to another application fee to reapply.

All children of small family and family memberships are welcome to all member benefits—though only when member is present. All children must be under 24 years of age.
